### **COMMON ALLEGATIONS**

4. At all times material to this action, there was in existence, a policy of insurance issued by Defendant to Plaintiff, providing coverage to Plaintiff's restaurant located at 6226 Ohio Avenue, Gibsonton, Florida 33534. A certified copy of the subject policy is attached hereto as Exhibit "A" and is incorporated by reference herein.

5. The subject insurance policy, among other things, provides coverage for loss of business income and extra expense caused by action of civil authority that prevents access to the insured premises as more specifically set forth in Form CP 00 30 06 07 which provides in pertinent part as follows:

. . .

**5. Additional Coverages**

**a. Civil Authority.**

**In this Additional Coverage – Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.**

**When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:**

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and**
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken**

**to enable a civil authority to have unimpeded access to the damaged property.**

**Civil Authority coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.**

**Civil authority coverage for necessary Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:**

**(1) Four consecutive weeks after the date of that action; or**

**(2) When your Civil Authority coverage for Business Income ends:  
Whichever is later.**

6. This coverage was modified by endorsement which provides as follows:

**G. The following applies to the Additional Coverage – Civil Authority under the business Income (And Extra Expense) Coverage Form, Business Income (Without Extra Expense) Coverage Form and Extra Expense Coverage Form:**

**1. The Additional Coverage – Civil Authority includes a requirement that the described premises are not more than one mile from the damaged property. With respect to described premises located in Florida, such one mile radius does not apply.**

**2. The Additional Coverage – Civil Authority is limited to a coverage period of up to four weeks. With respect to described premises located in Florida, such four-week period is replaced by a three-week period.**

**3. Civil Authority coverage is subject to all other provisions of that Additional Coverage.**

7. On or about March 20, 2020, The State of Florida issued a Civil Authority Order suspending on-premises food consumption for customers, all of which is more particularly described in the copy of said Order attached hereto as Exhibit “B” which is incorporated by reference herein.

8. To the best of Plaintiff's information and belief, Chen Chen Chinese Restaurant located at 11022 US Hwy 41 S., Gibsonton, Florida 33534, approximately 1.2 miles from the insured location, was likewise shut down due to the attached order.

9. Plaintiff further alleges that this order from the State of Florida was in response to the state of emergency which is outlined in the attached order and was issued in response to a threat to the public health as more specifically described in the order.

### **COUNT I – BREACH OF CONTRACT**

10. Plaintiff re-alleges and incorporates allegations one (1) through nine (9) above.

11. Plaintiff suffered a loss of business income caused by the above mentioned action of civil authority that prohibited access to property near Plaintiff's property, as well as Plaintiff's restaurant, because of loss of or damage to property caused by or resulting from the civil order which Plaintiff alleges is a covered cause of loss under the terms and conditions of the policy quoted above.

12. Under the terms and conditions of the subject policy, Defendant is obligated to pay Plaintiff's actual loss of business income and any other extra expense caused by the action of civil authorities pursuant to the terms and conditions of the subject policy.

13. Plaintiff submitted a claim for business income and extra expense losses caused by the above mentioned actions of civil authority to the Defendant.

14. By letter dated June 3, 2020, Defendant denied coverage for the subject claim. Attached as Exhibit "C" is a copy of the denial letter.

15. Because of Defendant's failure to pay Plaintiff's claim, Defendant has materially breached the terms and conditions of the subject policy.

16. As a result of the breach, Plaintiff has suffered damages in the form of lost business income which Plaintiff alleges is covered under the subject policy of insurance.

17. All conditions precedent to recovery under the subject policy have been performed by the Plaintiff or waived by the Defendant.

18. Because of Defendant's breach of the subject insurance policy, Plaintiff has had to retain the services of the undersigned attorneys and have agreed to pay the undersigned attorneys a reasonable fee.

WHEREFORE, Plaintiff, THE RIVERS EDGE ENTERPRISES, LLC d/b/a THE RIVERS EDGE, demands judgment for damages, together with interest, costs and reasonable attorneys fees, pursuant to Section 627.428, Florida Statutes, together with such other and further relief which the Honorable Court may deem proper and demands trial by jury on all issues so triable by jury.

### **COUNT II – DECLARATORY JUDGMENT**

19. Plaintiff re-alleges and incorporates allegations one (1) through nine (9) above.

20. This is an action for Declaratory Judgment to determine liability under the subject insurance policy pursuant to Chapter 86, Florida Statutes.

21. Plaintiff contends that the subject claim for business interruption is a covered cause of loss because the order of civil authority prevented access to Plaintiff's property and caused the business to be shut down.

22. Defendant denied Plaintiff's claim alleging that the subject policy did not provide coverage for multiple reasons.

## A. Direct Physical Damage

23. Defendant's first basis for denial was that there was no direct physical damage to property at the insured premises.
24. The subject policy under civil authority provides as follows:

### **5. Additional Coverages**

#### **a. Civil Authority.**

**In this Additional Coverage – Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.**

**When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:**

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and**
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.**

**Civil Authority coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.**

**Civil authority coverage for necessary Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:**

- (1) Four consecutive weeks after the date of that action; or**  
**(2) When your Civil Authority coverage for Business Income ends: Whichever is later.**

25. Plaintiff alleges that this additional coverage only requires damage to premises next to Plaintiff's property by stating "[wh]en a Covered Cause of Loss causes damage to property other than property at the described premises". This clause does not require

direct physical damage to other property or the insured premises as Defendant has alleged. Defendant misquoted the policy in the denial by adding the condition of direct physical damage to the civil authority section.

26. The above quoted policy provision is ambiguous and unclear as to whether or not direct physical damage is required at other property or even the insured premises to trigger civil authority coverage and a reasonable interpretation of the policy should be that if property around the insured location suffers damage, not direct physical loss or damage, and a civil authority prevents access to that property as well as the insured property, there is coverage for the business interruption loss.

27. Plaintiff contends that Defendant has erroneously construed the subject insurance policy to require direct physical damage and that civil authority coverage is only applicable when access to the described premises is prohibited due to direct physical damage to other property. Plaintiff alleges they are entitled to recover damages for business interruption due to civil authority because other businesses were likewise shut down due to action of civil authority causing damage to the business for business interruption due to civil authority.

#### **B. Virus or Bacteria Exclusion**

28. Second, the Defendant alleges that the loss is excluded due to the Virus or Bacteria Exclusion. This specific exclusion provides as follows:

EXCLUSION OF LOSS DUE TO VIRUS OR BACTERIA  
This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART  
STANDARD PROPERTY POLICY

A. The exclusion set forth in Paragraph B. applies to all coverage under all forms and endorsements that comprise this Coverage Part of Policy, including but not limited to forms or endorsements that cover property damage to buildings or personal property and forms or endorsements that cover business income, extra expense or action of civil authority

B. We will not pay for loss or damage caused by or resulting from any virus, bacterium or other micro-organism that induces or is capable of inducing physical distress, illness or disease.

However, this exclusion does not apply to loss or damage caused by or resulting from “fungus”, wet or dry rot. Such loss or damage is addressed in a separate exclusion in this Coverage Part or Policy.

C. With respect to any loss or damage subject to the exclusion in Paragraph B., such exclusion supersedes any exclusion relating to “pollutants”.

D. The following provisions in this Coverage Part or Policy are hereby amended to remove reference to bacteria:

1. Exclusion of “Fungus”, Wet Rot, Dry Rot And Bacteria; and
2. Additional Coverage – Limited Coverage for “Fungus”, Wet Rot, Dry Rot and Bacteria, including any endorsement increasing the scope or amount of coverage.

E. The terms of the exclusion in Paragraph B., or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this Coverage Part of Policy.

29. Plaintiff alleges that this is the standard Insurance Services Office, Inc. (ISO) language which has been incorporated into Defendant’s policy. Pursuant to the ISO themselves, this endorsement was only meant to exclude the cost of damages to either the insured location or the insured’s products when a virus specifically infected the insured location. See the attached ISO circular regarding this endorsement attached hereto as Exhibit “D”. Because there is no allegation that the insured property was specifically affected by the COVID-19 virus, this particular exclusion does not apply.

30. The above quoted policy exclusion is ambiguous and unclear as to what is excluded and should be considered as only excluding costs when a virus or bacteria affects the interior of the insured property or affects the product of the insured. A reasonable interpretation would be that this exclusion does not exclude orders by civil authority regarding COVID-19 because COVID-19 did not actually affect the interior of the insured location and that there is coverage for the business interruption loss.

31. Plaintiff contends that Defendant has erroneously construed the subject insurance policy and that Plaintiff is entitled to recover damages for business interruption due to civil authority.

32. Plaintiff is in doubt of its rights and obligations under the subject policy as to whether Defendant is required to pay the business interruption claim under the terms and conditions of the subject policy.

33. An actual controversy of a justiciable nature as to whether Plaintiff is entitled to recover business interruption damages under the subject policy exists between Plaintiff and Defendant involving the rights and liabilities of Plaintiff and Defendant under the policy of insurance attached hereto and Plaintiff is in doubt as to its rights under the subject policy.

34. The controversy existing between Plaintiff and Defendant may be determined by a judgment of this Honorable Court without the necessity of other law suits.

35. Plaintiff has no other adequate remedy of law.

36. Because of Defendant's wrongful denial of Plaintiff's claim, Defendant has materially breached the terms and conditions of the subject policy.

37. All conditions precedent to recovery under the subject policy has been performed by Plaintiff and their agent or waived by Defendant.

38. Because of Defendant's breach of the subject insurance policy, Plaintiff has had to retain the services of the undersigned attorneys and agreed to pay the undersigned attorneys a reasonable fee.

WHEREFORE, Plaintiff, THE RIVERS EDGE ENTERPRISES, LLC d/b/a THE RIVERS EDGE, demands judgment declaring that Defendant, SCOTTSDALE INSURANCE COMPANY, is required to pay Plaintiff the damages resulting from the above business interruption claim and that judgment be entered for Plaintiff's damages, together with interest, costs and reasonable attorneys fees pursuant to Section 627.428, Florida Statutes, together with such other and further relief which this Honorable Court may deem proper and demands trial by jury on all issues so triable by jury.

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

**C. Exception Covering Certain Fire Losses**

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

**D. Application Of Other Exclusions**

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

# BUILDING AND PERSONAL PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H. Definitions.

## A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

### 1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, **A.1.**, and limited in **A.2.** Property Not Covered, if a Limit Of Insurance is shown in the Declarations for that type of property.

**a. Building**, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
  - (a) Machinery; and
  - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
  - (a) Fire-extinguishing equipment;
  - (b) Outdoor furniture;
  - (c) Floor coverings; and
  - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;
- (5) If not covered by other insurance:
  - (a) Additions under construction, alterations and repairs to the building or structure;
  - (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure.

### b. Your Business Personal Property

consists of the following property located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater:

- (1) Furniture and fixtures;
- (2) Machinery and equipment;
- (3) "Stock";
- (4) All other personal property owned by you and used in your business;
- (5) Labor, materials or services furnished or arranged by you on personal property of others;
- (6) Your use interest as tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
  - (a) Made a part of the building or structure you occupy but do not own; and
  - (b) You acquired or made at your expense but cannot legally remove;
- (7) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

### c. Personal Property Of Others that is:

- (1) In your care, custody or control; and
- (2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

## 2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
  - (1) The lowest basement floor; or
  - (2) The surface of the ground, if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, n., does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
  - (1) Are licensed for use on public roads; or
  - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;

- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
  - (c) Rowboats or canoes out of water at the described premises; or
  - (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or
- q. The following property while outside of buildings:
- (1) Grain, hay, straw or other crops;
  - (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

**3. Covered Causes Of Loss**

See applicable Causes Of Loss form as shown in the Declarations.

**4. Additional Coverages**

**a. Debris Removal**

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
  - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
  - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
  - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;

- (d) Remove property of others of a type that would not be Covered Property under this Coverage Form;
  - (e) Remove deposits of mud or earth from the grounds of the described premises;
  - (f) Extract "pollutants" from land or water; or
  - (g) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
  - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
  - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

**(5) Examples**

The following examples assume that there is no Coinsurance penalty.

**Example 1**

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3)**.

**Example 2**

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4)**, because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph **(4)**. Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

**b. Preservation Of Property**

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1)** While it is being moved or while temporarily stored at another location; and
- (2)** Only if the loss or damage occurs within 30 days after the property is first moved.

**c. Fire Department Service Charge**

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1)** Assumed by contract or agreement prior to loss; or
- (2)** Required by local ordinance.

No Deductible applies to this Additional Coverage.

**d. Pollutant Clean-up And Removal**

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

**e. Increased Cost Of Construction**

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in e.(3) through e.(9) of this Additional Coverage.
- (3) The ordinance or law referred to in e.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
  - (a) You were required to comply with before the loss, even when the building was undamaged; and
  - (b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

- (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
- (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:
  - (i) Until the property is actually repaired or replaced at the same or another premises; and
  - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
- (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

**f. Electronic Data**

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
  - (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
    - (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
    - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
    - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
    - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

## 5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

### a. Newly Acquired Or Constructed Property

#### (1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
  - (i) Similar use as the building described in the Declarations; or
  - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

## (2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:
  - (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
  - (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

- (b) This Extension does not apply to:
  - (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
  - (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

## (3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

**b. Personal Effects And Property Of Others**

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

**c. Valuable Papers And Records (Other Than Electronic Data)**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

**d. Property Off-premises**

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
  - (a) Temporarily at a location you do not own, lease or operate;
  - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
  - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
  - (a) In or on a vehicle; or
  - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

**e. Outdoor Property**

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

**f. Non-owned Detached Trailers**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
  - (a) The trailer is used in your business;
  - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
  - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
  - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
  - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

**g. Business Personal Property Temporarily In Portable Storage Units**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
  - (a) Will end 90 days after the business personal property has been placed in the storage unit;
  - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

**B. Exclusions And Limitations**

See applicable Causes Of Loss form as shown in the Declarations.

**C. Limits Of Insurance**

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

**D. Deductible**

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

**Example 1**

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$ 60,100
– 250
\$ 59,850

Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:  
\$59,850 + \$80,000 = \$139,850

**Example 2**

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

**E. Loss Conditions**

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

**1. Abandonment**

There can be no abandonment of any property to us.

**2. Appraisal**

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

**3. Duties In The Event Of Loss Or Damage**

a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.

- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
  - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
  - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
  - (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
  - (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.  
Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
  - (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
  - (8) Cooperate with us in the investigation or settlement of the claim.
- b.** We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

#### 4. Loss Payment

- a.** In the event of loss or damage covered by this Coverage Form, at our option, we will either:
  - (1) Pay the value of lost or damaged property;
  - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
  - (3) Take all or any part of the property at an agreed or appraised value; or
  - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.
- b.** The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c.** We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d.** We will not pay you more than your financial interest in the Covered Property.
- e.** We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f.** We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g.** We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:
  - (1) We have reached agreement with you on the amount of loss; or
  - (2) An appraisal award has been made.

**h.** A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

#### **5. Recovered Property**

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

#### **6. Vacancy**

##### **a. Description Of Terms**

**(1)** As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

**(a)** When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

**(b)** When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

**(i)** Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

**(ii)** Used by the building owner to conduct customary operations.

**(2)** Buildings under construction or renovation are not considered vacant.

##### **b. Vacancy Provisions**

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

**(1)** We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:

**(a)** Vandalism;

**(b)** Sprinkler leakage, unless you have protected the system against freezing;

**(c)** Building glass breakage;

**(d)** Water damage;

**(e)** Theft; or

**(f)** Attempted theft.

**(2)** With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

#### **7. Valuation**

We will determine the value of Covered Property in the event of loss or damage as follows:

**a.** At actual cash value as of the time of loss or damage, except as provided in **b.**, **c.**, **d.** and **e.** below.

**b.** If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

- (1) Awnings or floor coverings;
  - (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
  - (3) Outdoor equipment or furniture.
- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- d. Glass at the cost of replacement with safety-glazing material if required by law.
- e. Tenants' Improvements and Betterments at:
- (1) Actual cash value of the lost or damaged property if you make repairs promptly.
  - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
    - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
    - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- (3) Nothing if others pay for repairs or replacement.

## F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

### 1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

### Example 1 (Underinsurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 100,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

Step (1):  $\$250,000 \times 80\% = \$200,000$   
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2):  $\$100,000 \div \$200,000 = .50$

Step (3):  $\$40,000 \times .50 = \$20,000$

Step (4):  $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

### Example 2 (Adequate Insurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 200,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ( $\$250,000 \times 80\%$ ). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than \$39,750 ( $\$40,000$  amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

**Example 3**

When: The value of the property is:

Building at Location 1:	\$ 75,000
Building at Location 2:	\$ 100,000
Personal Property at Location 2:	<u>\$ 75,000</u>
	\$ 250,000
The Coinsurance percentage for it is: <span style="float: right;">90%</span>	
The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	\$ 180,000
The Deductible is:	\$ 1,000
The amount of loss is:	
Building at Location 2:	\$ 30,000
Personal Property at Location 2:	<u>\$ 20,000</u>
	\$ 50,000

Step (1):  $\$250,000 \times 90\% = \$225,000$   
 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2):  $\$180,000 \div \$225,000 = .80$

Step (3):  $\$50,000 \times .80 = \$40,000$

Step (4):  $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

**2. Mortgageholders**

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
  - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
  - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
  - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
  - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
  - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

**G. Optional Coverages**

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

**1. Agreed Value**

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
  - (1) On or after the effective date of this Optional Coverage; and
  - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

**2. Inflation Guard**

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
  - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
  - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
  - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

**Example**

If: The applicable Limit of Insurance is: \$ 100,000  
 The annual percentage increase is: 8%  
 The number of days since the beginning of the policy year (or last policy change) is: 146  
 The amount of increase is:  
 $\$100,000 \times .08 \times 146 \div 365 =$  \$ 3,200

**3. Replacement Cost**

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.
- b. This Optional Coverage does not apply to:
  - (1) Personal property of others;
  - (2) Contents of a residence;
  - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

- (4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
  - (1) Until the lost or damaged property is actually repaired or replaced; and
  - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in d.(1) and d.(2) above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and
- (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.

- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:

- (1) The Limit of Insurance applicable to the lost or damaged property;
- (2) The cost to replace the lost or damaged property with other property:
  - (a) Of comparable material and quality; and
  - (b) Used for the same purpose; or
- (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

**4. Extension Of Replacement Cost To Personal Property Of Others**

a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

**H. Definitions**

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
2. "Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.
3. "Stock" means merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping.

## BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section F. Definitions.

### A. Coverage

#### 1. Business Income

Business Income means the:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b. Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

- (1) Business Income Including "Rental Value".
- (2) Business Income Other Than "Rental Value".
- (3) "Rental Value".

If option (1) above is selected, the term Business Income will include "Rental Value". If option (3) above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises means:

- (a) The portion of the building which you rent, lease or occupy;
- (b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
- (c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

#### 2. Extra Expense

- a. Extra Expense Coverage is provided at the premises described in the Declarations only if the Declarations show that Business Income Coverage applies at that premises.
- b. Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

We will pay Extra Expense (other than the expense to repair or replace property) to:

- (1) Avoid or minimize the "suspension" of business and to continue operations at the described premises or at replacement premises or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.

- (2) Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

### 3. Covered Causes Of Loss, Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

### 4. Additional Limitation – Interruption Of Computer Operations

- a. Coverage for Business Income does not apply when a "suspension" of "operations" is caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- b. Coverage for Extra Expense does not apply when action is taken to avoid or minimize a "suspension" of "operations" caused by destruction or corruption of electronic data, or any loss or damage to electronic data, except as provided under the Additional Coverage, Interruption Of Computer Operations.
- c. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data.
- d. This Additional Limitation does not apply when loss or damage to electronic data involves only electronic data which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

## 5. Additional Coverages

### a. Civil Authority

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations.

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
  - (2) When your Civil Authority Coverage for Business Income ends;
- whichever is later.

**b. Alterations And New Buildings**

We will pay for the actual loss of Business Income you sustain and necessary Extra Expense you incur due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
  - (a) Used in the construction, alterations or additions; or
  - (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations", the "period of restoration" for Business Income Coverage will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

**c. Extended Business Income**

**(1) Business Income Other Than "Rental Value"**

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
- (b) Ends on the earlier of:
  - (i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
  - (ii) 60 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

**(2) "Rental Value"**

If the necessary "suspension" of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b) Ends on the earlier of:
  - (i) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "Rental Value" that would have existed if no direct physical loss or damage had occurred; or
  - (ii) 60 consecutive days after the date determined in (2)(a) above.

However, Extended Business Income does not apply to loss of "Rental Value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of "Rental Value" must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

**d. Interruption Of Computer Operations**

- (1) Under this Additional Coverage, electronic data has the meaning described under Additional Limitation – Interruption Of Computer Operations.

- (2) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a "suspension" of "operations" caused by an interruption in computer operations due to destruction or corruption of electronic data due to a Covered Cause of Loss. However, we will not provide coverage under this Additional Coverage when the Additional Limitation – Interruption Of Computer Operations does not apply based on Paragraph **A.4.d.** therein.
- (3) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
  - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Interruption Of Computer Operations, includes Collapse as set forth in that form.
  - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Interruption Of Computer Operations.
  - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, maintain, repair or replace that system.
- (4) The most we will pay under this Additional Coverage, Interruption Of Computer Operations, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (5) This Additional Coverage, Interruption Of Computer Operations, does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (4) above has not been exhausted.

## 6. Coverage Extension

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

### Newly Acquired Locations

- a. You may extend your Business Income and Extra Expense Coverages to apply to property at any location you acquire other than fairs or exhibitions.
- b. The most we will pay under this Extension, for the sum of Business Income loss and Extra Expense incurred, is \$100,000 at each location, unless a higher limit is shown in the Declarations.
- c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
  - (1) This policy expires;

- (2) 30 days expire after you acquire or begin to construct the property; or
- (3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

The Additional Condition, Coinsurance, does not apply to this Extension.

## B. Limits Of Insurance

The most we will pay for loss in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

Payments under the following coverages will not increase the applicable Limit of Insurance:

1. Alterations And New Buildings;
2. Civil Authority;
3. Extra Expense; or
4. Extended Business Income.

The amounts of insurance stated in the Interruption Of Computer Operations Additional Coverage and the Newly Acquired Locations Coverage Extension apply in accordance with the terms of those coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage.

## C. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

### 1. Appraisal

If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

## 2. Duties In The Event Of Loss

a. You must see that the following are done in the event of loss:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the direct physical loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the direct physical loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (6) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
  - (7) Cooperate with us in the investigation or settlement of the claim.
  - (8) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

### 3. Loss Determination

- a. The amount of Business Income loss will be determined based on:
  - (1) The Net Income of the business before the direct physical loss or damage occurred;
  - (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
  - (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
  - (4) Other relevant sources of information, including:
    - (a) Your financial records and accounting procedures;
    - (b) Bills, invoices and other vouchers; and
    - (c) Deeds, liens or contracts.
- b. The amount of Extra Expense will be determined based on:
  - (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
    - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
    - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
  - (2) Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

### c. Resumption Of Operations

We will reduce the amount of your:

- (1) Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.
- d. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

### 4. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

- a. We have reached agreement with you on the amount of loss; or
- b. An appraisal award has been made.

### D. Additional Condition

#### COINSURANCE

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy Conditions and the Commercial Property Conditions.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

- 1. The Coinsurance percentage shown for Business Income in the Declarations; times
- 2. The sum of:
  - a. The Net Income (Net Profit or Loss before income taxes), and
  - b. Operating expenses, including payroll expenses,

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

- Step (1): Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this policy by the Coinsurance percentage;
- Step (2): Divide the Limit of Insurance for the described premises by the figure determined in Step (1); and
- Step (3): Multiply the total amount of loss by the figure determined in Step (2).

We will pay the amount determined in Step (3) or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

- (1) Prepaid freight – outgoing;
- (2) Returns and allowances;
- (3) Discounts;
- (4) Bad debts;
- (5) Collection expenses;
- (6) Cost of raw stock and factory supplies consumed (including transportation charges);
- (7) Cost of merchandise sold (including transportation charges);
- (8) Cost of other supplies consumed (including transportation charges);
- (9) Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
- (10) Power, heat and refrigeration expenses that do not continue under contract (if Form CP 15 11 is attached);
- (11) All payroll expenses or the amount of payroll expense excluded (if Form CP 15 10 is attached); and
- (12) Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

### Example 1 (Underinsurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been: \$ 400,000  
The Coinsurance percentage is: 50%  
The Limit of Insurance is: \$ 150,000  
The amount of loss is: \$ 80,000

Step (1):  $\$400,000 \times 50\% = \$200,000$   
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2):  $\$150,000 \div \$200,000 = .75$

Step (3):  $\$80,000 \times .75 = \$60,000$

We will pay no more than \$60,000. The remaining \$20,000 is not covered.

### Example 2 (Adequate Insurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been: \$ 400,000  
The Coinsurance percentage is: 50%  
The Limit of Insurance is: \$ 200,000  
The amount of loss is: \$ 80,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ( $\$400,000 \times 50\%$ ). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of loss).

This condition does not apply to Extra Expense Coverage.

### E. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

#### 1. Maximum Period Of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

- b. The most we will pay for the total of Business Income loss and Extra Expense is the lesser of:
  - (1) The amount of loss sustained and expenses incurred during the 120 days immediately following the beginning of the "period of restoration"; or
  - (2) The Limit Of Insurance shown in the Declarations.

**2. Monthly Limit Of Indemnity**

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
  - (1) The Limit of Insurance, multiplied by
  - (2) The fraction shown in the Declarations for this Optional Coverage.

**Example**

When: The Limit of Insurance is:	\$ 120,000
The fraction shown in the Declarations for this Optional Coverage is:	1/4
The most we will pay for loss in each period of 30 consecutive days is:	\$ 30,000
(\$120,000 x 1/4 = \$30,000)	
If, in this example, the actual amount of loss is:	
Days 1–30:	\$ 40,000
Days 31–60:	\$ 20,000
Days 61–90:	\$ 30,000
	\$ 90,000
We will pay:	
Days 1–30:	\$ 30,000
Days 31–60:	\$ 20,000
Days 61–90:	\$ 30,000
	\$ 80,000

The remaining \$10,000 is not covered.

**3. Business Income Agreed Value**

- a. To activate this Optional Coverage:
  - (1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":
    - (a) During the 12 months prior to the date of the Work Sheet; and

- (b) Estimated for the 12 months immediately following the inception of this Optional Coverage.
- (2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:
  - (a) The Coinsurance percentage shown in the Declarations; multiplied by
  - (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.
- b. The Additional Condition, Coinsurance, is suspended until:
  - (1) 12 months after the effective date of this Optional Coverage; or
  - (2) The expiration date of this policy; whichever occurs first.
- c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:
  - (1) Within 12 months of the effective date of this Optional Coverage; or
  - (2) When you request a change in your Business Income Limit of Insurance.
- d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more of any loss than the amount of loss multiplied by:
  - (1) The Business Income Limit of Insurance; divided by
  - (2) The Agreed Value.

**Example**

When: The Limit of Insurance is:	\$ 100,000
The Agreed Value is:	\$ 200,000
The amount of loss is:	\$ 80,000
Step (1):	$\$100,000 \div \$200,000 = .50$
Step (2):	$.50 \times \$80,000 = \$40,000$

We will pay \$40,000. The remaining \$40,000 is not covered.

**4. Extended Period Of Indemnity**

Under Paragraph A.5.c., **Extended Business Income**, the number 60 in Subparagraphs (1)(b) and (2)(b) is replaced by the number shown in the Declarations for this Optional Coverage.

### A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

### B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

### C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

### D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

### G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

- (b) Suspension, lapse or cancellation of any license, lease or contract. But if the suspension, lapse or cancellation is directly caused by the "suspension" of "operations", we will cover such loss that affects your Business Income during the "period of restoration" and any extension of the "period of restoration" in accordance with the terms of the Extended Business Income Additional Coverage and the Extended Period of Indemnity Optional Coverage or any variation of these.

- (4) Any Extra Expense caused by or resulting from suspension, lapse or cancellation of any license, lease or contract beyond the "period of restoration".

But this exclusion does not apply to a written lease agreement in which you have assumed liability for building damage resulting from an actual or attempted burglary or robbery, provided that:

- (i) Your assumption of liability was executed prior to the accident; and
- (ii) The building is Covered Property under this Coverage Form.

**(b) Nuclear Hazard**

The coverage described in **C.2.** and **C.6.** only applies when the "fungus", wet or dry rot or bacteria is the result of one or more of the following causes that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.

- a. A Covered Cause of Loss other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and

3. The coverage described under **C.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of Covered Causes of Loss (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **b.** of Covered Causes Of Loss **9.**, Sprinkler Leakage.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form.
  - a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

- b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

**D. Limitation**

We will pay for loss of animals only if they are killed or their destruction is made necessary.

**E. Definitions**

"Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

**f. War And Military Action**

- (1) War, including undeclared or civil war;

- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

- (c) Doors, windows or other openings; or

- (5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph (1), (3) or (4), or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

**h. "Fungus", Wet Rot, Dry Rot And Bacteria**

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

(4) Settling, cracking, shrinking or expansion;

(5) Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals.

(6) Mechanical breakdown, including rupture or bursting caused by centrifugal force. But if mechanical breakdown results in elevator collision, we will pay for the loss or damage caused by that elevator collision.

(7) The following causes of loss to personal property:

- (a) Dampness or dryness of atmosphere;
- (b) Changes in or extremes of temperature; or
- (c) Marring or scratching.

- (3)** Any cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion as such condition relates to **(1)** or **(2)** above.

But if collapse results in a Covered Cause of Loss at the described premises, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion, **k.**, does not apply:

- (a)** To the extent that coverage is provided under the Additional Coverage, Collapse; or
- (b)** To collapse caused by one or more of the following:

But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion, **l.**, does not apply to damage to glass caused by chemicals applied to the glass.

**m.** Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

**3.** We will not pay for loss or damage caused by or resulting from any of the following, **3.a.** through **3.c.** But if an excluded cause of loss that is listed in **3.a.** through **3.c.** results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

**a.** Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in Paragraph **1.** above to produce the loss or damage.

**b.** Acts or decisions, including the failure to act or decide, of any person, group, organization or governmental body.

**c.** Faulty, inadequate or defective:

- (1)** Planning, zoning, development, surveying, siting;

## C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated:

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.
  - a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment.   - c. The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
    - (1) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
    - (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

- d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

- (1) Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or
  - (2) Business Income Coverage or Extra Expense Coverage.
- e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.
  - f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
  - g. Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:
    - (1) Dampness or dryness of atmosphere or of soil supporting the vegetation;
    - (2) Changes in or extremes of temperature;

    - (4) Frost or hail; or
    - (5) Rain, snow, ice or sleet.
  2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
    - a. Animals, and then only if they are killed or their destruction is made necessary.
    - b. Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:
      - (1) Glass; or
      - (2) Containers of property held for sale.

(2) To Business Income Coverage or to Extra Expense Coverage.

3. The special limit shown for each category, a. through d., is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are (unless a higher limit is shown in the Declarations):

- a. \$2,500 for furs, fur garments and garments trimmed with fur.

- d. \$250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, C.3., does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:

- a. Results in discharge of any substance from an automatic fire protection system; or
- b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

#### D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in D.1. through D.7.

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

- a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

- (1) A cause of loss listed in 2.a. or 2.b.;
- (2) One or more of the "specified causes of loss";
- (3) Breakage of building glass;
- (4) Weight of people or personal property; or
- (5) Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does not apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;
- b. A part of a building that is standing, even if it has separated from another part of the building; or
- c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

- b. Awnings, gutters and downspouts;
  - c. Yard fixtures;
  - d. Outdoor swimming pools;
  - e. Fences;
  - f. Piers, wharves and docks;
  - g. Beach or diving platforms or appurtenances;
  - h. Retaining walls; and
  - i. Walks, roadways and other paved surfaces;
- if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.**, we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
  - b. The personal property which collapses is inside a building; and
  - c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.
8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

**E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria**

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
- c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
  - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

## F. Additional Coverage Extensions

### 1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
  - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
  - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
  - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

### 2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

**3. Glass**

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

**G. Definitions**

- 1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 2. "Specified causes of loss" means the following:
  - fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
  - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
    - (1) The cost of filling sinkholes; or
    - (2) Sinking or collapse of land into man-made underground cavities.
  - b. Falling objects does not include loss or damage to:
    - (1) Personal property in the open; or
    - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
  - c. Water damage means:
    - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe caused by wear and tear, when the pipe is located off the described premises and is connected to or is part of a potable water supply system or sanitary sewer system operated by a public or private utility service provider pursuant to authority granted by the state or governmental subdivision where the described premises are located.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **WATER EXCLUSION ENDORSEMENT**

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART  
STANDARD PROPERTY POLICY

**A.** The exclusion in Paragraph **B.** replaces the **Water Exclusion** in this Coverage Part or Policy.

**B. Water**

1. Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);
2. Mudslide or mudflow;
3. Water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump or related equipment;
4. Water under the ground surface pressing on, or flowing or seeping through:
  - a. Foundations, walls, floors or paved surfaces;
  - b. Basements, whether paved or not; or
  - c. Doors, windows or other openings; or

**5.** Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **1.**, **3.** or **4.**, or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs **1.** through **5.**, is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs **1.** through **5.**, results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## THEFT EXCLUSION

This endorsement modifies insurance provided under the following:

CAUSES OF LOSS - SPECIAL FORM

### SCHEDULE

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

With respect to the location(s) indicated in the Schedule, the following is added to the **Exclusions** section:

We will not pay for loss or damage caused by or resulting from theft.

But we will pay for:

1. Loss or damage that occurs due to looting at the time and place of a riot or civil commotion; or

2. Building damage caused by the breaking in or exiting of burglars.

And if theft results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## WINDSTORM OR HAIL EXCLUSION

This endorsement modifies insurance provided under the following:

- CAUSES OF LOSS - BASIC FORM
- CAUSES OF LOSS - BROAD FORM
- CAUSES OF LOSS - SPECIAL FORM
- STANDARD PROPERTY POLICY

### SCHEDULE

Premises Number	Building Number
1	2-3
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

With respect to the location(s) indicated in the Schedule, the following provisions apply.

**A.** The following is added to the **Exclusions** section and is therefore **not** a Covered Cause of Loss:

**WINDSTORM OR HAIL**

We will not pay for loss or damage:

1. Caused directly or indirectly by Windstorm or Hail, regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage; or
2. Caused by rain, snow, sand or dust, whether driven by wind or not, if that loss or damage would not have occurred but for the Windstorm or Hail.

But if Windstorm or Hail results in a cause of loss other than rain, snow, sand or dust, and that resulting cause of loss is a Covered Cause of Loss, we will pay for the loss or damage caused by such Covered Cause of Loss. For example, if the Windstorm or Hail damages a heating system and fire results, the loss or damage attributable to the fire is covered subject to any other applicable policy provisions.

**B.** The terms of the Windstorm Or Hail exclusion, or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this policy.

**C.** Under **Additional Coverage - Collapse**, in the Causes of Loss - Broad Form, Windstorm or Hail is deleted from Paragraph **2.a**.

**D.** In the Causes Of Loss - Special Form, Windstorm or Hail is deleted from the "specified causes of loss".

**E.** Under **Additional Coverage Extensions - Property In Transit**, in the Causes Of Loss - Special Form, Windstorm or Hail is deleted from Paragraph **b.(1)**.

<b>Deductible</b>
Flat Dollar \$ _____ or Percentage <u>5</u> %, subject to \$ <u>N/A</u> minimum deductible
Information required to complete this Schedule, if not shown on this endorsement, will be shown in the Declarations.

With respect to loss or damage caused by or resulting from wind or hail, Item **D. Deductible** is deleted in its entirety and is replaced by the following:

**D. Deductible**

1. In any one occurrence of loss or damage to covered property by wind or hail (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.
2. The Wind or Hail Deductible is calculated separately for, and applies separately to:
  - a. Each building that sustains loss or damage.
  - b. Personal property at each building, if there is loss or damage to that personal property, subject to **3.b.** below.
  - c. Personal property in the open.
  - d. Each separately scheduled item not described in items **a.-c.**

- 4.** When a Percentage deductible is shown, the following provisions apply in addition to paragraphs **1.** and **2.:**
  - a.** We will calculate the deductible as follows:

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to the percentage (as shown in the Schedule) of the Limit(s) of Insurance of covered property that has sustained loss or damage, subject to any minimum Deductible shown in the Schedule.
  - b.** If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the personal property in that building.

6. All the areas east of the west bank of the Intra-Coastal Waterway in the Counties of:
  - a. Indian River; and
  - b. St. Lucie.

**WINDSTORM EXTERIOR PAINT AND WATER-PROOFING EXCLUSION**

We will not pay for loss or damage caused by windstorm to:

1. Paint; or

**2.** Waterproofing material;

applied to the exterior of Buildings unless the Building to which such loss or damage occurs also sustains other loss or damage by windstorm in the course of the same storm event. But such coverage applies only if windstorm is a Covered Cause of Loss.

When loss or damage to exterior paint or waterproofing material is excluded, we will not include the value of paint or waterproofing material to determine:

- a. The amount of the Windstorm or Hail Deductible; or
- b. The value of Covered Property when applying the Coinsurance Condition.

**D.** Sinkhole Collapse Coverage Removed

Sinkhole Collapse coverage is removed as indicated in Paragraphs **D.1.** through **D.4.** ; and coverage for Catastrophic Ground Cover Collapse is added instead as set forth in Paragraph **E.**

1. In the Causes of Loss—Basic Form and in the Standard Property Policy, Sinkhole Collapse is deleted from the Covered Causes of Loss and sinkhole collapse is no longer an exception to the Earth Movement exclusion.
2. In the Causes of Loss—Broad Form, Sinkhole Collapse is deleted from the Covered Causes of Loss and from the Additional Coverage—Collapse; and sinkhole collapse is no longer an exception to the Earth Movement exclusion.
3. In the Causes of Loss—Special Form, sinkhole collapse is deleted from the “specified causes of

loss” and is no longer an exception to the Earth Movement exclusion.

4. In the Mortgageholders Errors And Omissions Coverage Form, sinkhole collapse is deleted from the Covered Causes of Loss under Coverage B and from the “specified causes of loss, and is no longer an exception to the Earth Movement exclusion.

Further, this Coverage Part does not insure against Sinkhole Loss as defined in Florida law unless an endorsement for Sinkhole Loss is made part of this policy. However, if Sinkhole Loss causes Catastrophic Ground Cover Collapse, coverage is provided for the resulting Catastrophic Ground Cover Collapse even if an endorsement for Sinkhole Loss is not made part of this policy.

- E. The following is added to this Coverage Part as a Covered Cause Of Loss. In the Causes Of Loss—Special Form and Mortgageholders Errors And Omissions Coverage Form, the following is also added as a “specified cause of loss.” However, as a “specified cause of loss, the following does not apply to the Additional Coverage—Collapse.

#### **CATASTROPHIC GROUND COVER COLLAPSE**

We will pay for direct physical loss or damage to Covered Property caused by or resulting from catastrophic ground cover collapse, meaning geological activity that results in all of the following:

1. The abrupt collapse of the ground cover;
2. A depression in the ground cover clearly visible to the naked eye;
3. Structural damage to the building, including the foundation; and
4. The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, structural damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a catastrophic ground cover collapse.

The Earth Movement exclusion and the Collapse exclusion do not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Insurance. Regardless of whether loss or damage attributable to catastrophic ground cover collapse also qualifies as Sinkhole Loss or Earthquake (if either or both of those causes of loss are covered under this Coverage Part), only one Limit of Insurance will apply to such loss or damage.

- F. The following applies to the **Additional Coverage—Civil Authority** under the Business Income (And Extra Expense) Coverage Form, Business Income (Without Extra Expense) Coverage Form and Extra Expense Coverage Form:

1. The Additional Coverage—Civil Authority includes a requirement that the described premises are not more than one mile from the damaged property. With respect to described premises located in Florida, such one-mile radius does not apply.
2. The Additional Coverage—Civil Authority is limited to a coverage period of up to four weeks. With respect to described premises located in Florida, such four week period is replaced by a three-week period.
3. Civil Authority coverage is subject to all other provisions of that Additional Coverage.

- G. In the event where more than one peril causes damage to covered property and the damage cannot be separated by the cause(s) of loss, we will:

Deduct the amount paid by the other carriers from the amount payable under our policy subject to the policy terms and conditions if a cause of the loss is covered under our policy;

If the cause of loss under our policy is also covered under another policy payment will be prorated among all companies providing coverage for the covered cause(s) of loss; and,

In no event can payments made by all carriers total more than the full replacement cost of the insured building. Payment will be subject to the policy terms and conditions of the policy of the covered property regardless of the number of covered perils or policies covering the property, even if the insured property is totally destroyed by combined perils.

## FLORIDA - SINKHOLE LOSS COVERAGE

This endorsement modifies insurance provided under the following:

CAPITAL ASSETS (OUTPUT POLICY) COVERAGE PART  
COMMERCIAL PROPERTY COVERAGE PART  
FARM COVERAGE PART

### SCHEDULE

Premises Number	Building Number
1	1 - 3

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

With respect to the location(s) indicated in the Schedule, the following provisions apply:

- A. When this endorsement is attached to Standard Property Policy **CP 00 99**, the term Coverage Part in this endorsement is replaced by the term Policy.
- B. When this endorsement is attached to the Farm Livestock Coverage Form, reference to loss (other than in the term Sinkhole Loss itself) means "loss" as defined in that coverage form.
- C. The following is added to this Coverage Part as a Covered Cause of Loss. In the forms which address "specified causes of loss", the following is also added as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage - Collapse.

**Sinkhole Loss**, meaning loss or damage to Covered Property when "structural damage" to the covered building, including the foundation, is caused by settlement or systematic weakening of the earth supporting the covered building, only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.

Coverage for Sinkhole Loss includes stabilization of the building (including land stabilization) and repair to the foundation, provided such work is in accordance with the requirements of Florida Insurance Law and in accordance with the recommendation of a professional engineer and with notice to you. The professional engineer must be selected or approved by us. However, until you enter into a contract for performance of building stabilization or foundation repair in accordance with the recommendations of the professional engineer as set forth in a report from us:

- 1. We will not pay for underpinning or grouting or any other repair technique performed below the existing foundation of the building; and
- 2. Our payment for Sinkhole Loss to Covered Property may be limited to the actual cash value of the loss to such property.

You must enter into a contract for the performance of building stabilization and/or foundation repair in accordance with the aforementioned recommendations, within 90 days after we notify you that there is coverage for your Sinkhole Loss. After you have entered into such contract, we will pay the amounts necessary to begin and perform such repairs as the work is performed and the expenses are incurred.

However, if the professional engineer determines, prior to your entering into the aforementioned contract or prior to the start of repair work, that the repairs will exceed the applicable Limit of Insurance, we must either complete the recommended repairs or pay that Limit of Insurance upon such determination. If the aforementioned determination is made during the course of repair work and we have begun making payments for the work performed, we must either complete the recommended repairs or pay only the remaining portion of the applicable Limit of Insurance upon such determination. The most we will pay for the total of all Sinkhole Loss, including building and land stabilization and foundation repair, is the applicable Limit of Insurance on the affected building.

The stabilization and all other repairs to the Covered Property must be completed within 12 months after entering into the contract for the performance of these repairs, unless:

1. There is a mutual agreement between you and us;
2. The claim is involved with the neutral evaluation process;
3. The claim is in litigation; or
4. The claim is under appraisal or mediation.

**D.** Sinkhole Loss does not include:

1. Sinking or collapse of land into man-made underground cavities; or
2. Earthquake.

**E.** With respect to coverage provided by this endorsement, the **Earth Movement** Exclusion and the **Collapse** Exclusion do not apply.

**F.** With respect to a claim for alleged Sinkhole Loss, the following provision is added:

Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for land stabilization and repair of property, or if we deny your claim, we will notify you of your right to participate in a neutral evaluation program administered by the Florida Department of Financial Services (hereinafter referred to as the Department). For alleged Sinkhole Loss to commercial residential or farm residential properties, this program applies instead of any mediation procedure set forth elsewhere in this policy, but does not invalidate the Appraisal Condition.

You or we may file a request with the Department for neutral evaluation; the other party must comply with such request. We will pay reasonable costs associated with the neutral evaluation, regardless of which party makes the request. But if a party chooses to hire a court reporter or stenographer to contemporaneously record and document the neutral evaluation, that party must bear the costs of those services. The neutral evaluator will be selected from a list maintained by the Department. The recommendation of the neutral evaluator will not be binding on you or us.

Participation in the neutral evaluation program does not change your right to file suit against us in accordance with the Legal Action Against Us Condition in this policy, except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later.

**G.** Coverage for Sinkhole Loss under this endorsement does not increase the applicable Limit of Insurance. Even if loss or damage qualifies under, or includes, both Catastrophic Ground Cover Collapse (addressed elsewhere in this Coverage Part) and Sinkhole Loss, only one Limit of Insurance will apply to such loss or damage.

**H. The following provision is added to the **Duties In The Event Of Loss Or Damage** Loss Condition:**

A claim for Sinkhole Loss, including but not limited to initial, supplemental and reopened claims is barred unless notice of claim is provided to us in accordance with the terms of this policy within two years after you knew or reasonably should have known about the Sinkhole Loss.

**I. The following definitions are added with respect to the coverage provided under this endorsement:**

1. "Structural damage" means a covered building, regardless of the date of its construction, has experienced the following:
  - a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;
  - b. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" and that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
  - c. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
  - d. Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or

e. Damage occurring on or after October 15, 2005, that qualifies as substantial structural damage as defined in the Florida Building Code.

2. "Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.
3. "Primary structural system" means an assemblage of "primary structural members".

- J.** If we deny your claim for Sinkhole Loss without performing testing under section 627.702, Florida Statutes, you may demand testing by communicating such demand to us in writing within 60 days after you receive our denial of the claim. You are responsible for 50% of the testing costs, or \$2,500, whichever is less. If our professional engineer or geologist provides written certification, pursuant to section 627.7073, that there is sinkhole loss, we will reimburse you for the testing costs.
- K.** You may not accept a rebate from any person performing repairs for Sinkhole Loss covered under this endorsement. If you receive a rebate, coverage under this endorsement is void and you must refund the amount of the rebate to us.
- L.** If we deny your claim for Sinkhole Loss upon receipt of written certification from a professional engineer or geologist, pursuant to section 627.7073, that there is no sinkhole loss or that the cause of the damage was not sinkhole activity, and if the sinkhole claim was submitted without good faith grounds for submitting such claim, you shall reimburse us for 50% of the actual costs of the analyses and services provided under sections 627.7072 and 627.7073, or \$2,500, whichever is less. You are not required to pay such reimbursement unless you requested the analysis and services and we, before ordering the analysis, informed you in writing of the potential for reimbursement and gave you the opportunity to withdraw the claim.
- M.** As a precondition to accepting payment for sinkhole loss, you must file with the county clerk of court, a copy of any sinkhole report regarding your property which was prepared on behalf or at your request. You will bear the cost of filing and recording the sinkhole report.

**POLICYHOLDER DISCLOSURE  
NOTICE OF TERRORISM INSURANCE COVERAGE**

**TERRORISM RISK INSURANCE ACT**

Under the Terrorism Risk Insurance Act of 2002, as amended pursuant to the Terrorism Risk Insurance Program Reauthorization Act of 2015, effective January 1, 2015 (the "Act"), you have a right to purchase insurance coverage for losses arising out of acts of terrorism, as defined in Section 102(1) of the Act: The term "certified acts of terrorism" means any act that is certified by the Secretary of the Treasury - in consultation with the Secretary of Homeland Security, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that where coverage is provided by this policy for losses resulting from "certified acts of terrorism," such losses may be partially reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government agrees to reimburse eighty-five percent (85%) of covered terrorism losses in calendar year 2015 that exceed the statutorily established deductible paid by the insurance company providing the coverage. This percentage of United States Government reimbursement decreases by one percent (1%) every calendar year beginning in 2016 until it equals eighty percent (80%) in 2020. The premium charged for this coverage is provided below and does not include any charges for the portion of loss that may be covered by the Federal Government under the Act.

You should also know that the Act, as amended, contains a \$100 billion cap that limits United States Government reimbursement as well as insurers' liability for losses resulting from "certified acts of terrorism" when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

**CONDITIONAL TERRORISM COVERAGE**

The federal Terrorism Risk Insurance Program Reauthorization Act of 2015 is scheduled to terminate at the end of December 31, 2020, unless renewed, extended or otherwise continued by the federal government. Should you select Terrorism Coverage provided under the Act and the Act is terminated December 31, 2020, any terrorism coverage as defined by the Act provided in the policy will also terminate.

**IN ACCORDANCE WITH THE ACT, YOU MUST CHOOSE TO SELECT OR REJECT COVERAGE FOR "CERTIFIED ACTS OF TERRORISM" BELOW:**

**The Note below applies for risks in these states:** California, Connecticut, Georgia, Hawaii, Illinois, Iowa, Maine, Missouri, New Jersey, New York, North Carolina, Oregon, Rhode Island, Washington, West Virginia, Wisconsin.

**NOTE:** In these states, a terrorism exclusion makes an exception for (and thereby provides coverage for) fire losses resulting from an act of terrorism. Therefore, if you reject the offer of terrorism coverage, that rejection does not apply to fire losses resulting from an act of terrorism coverage for such fire losses will be provided in your policy.

**If you do not respond to our offer and do not return this notice to the Company, you will have no Terrorism Coverage under this policy.**

	I hereby elect to purchase certified terrorism coverage for a premium of \$ _____. I understand that the federal Terrorism Risk Insurance Program Reauthorization Act of 2015 may terminate on December 31, 2020. Should that occur my coverage for terrorism, as defined by the Act, will also terminate.
x	I hereby reject the purchase of certified terrorism coverage.

Dear Mr. Haynes:

We understand your client's business has sustained a suspension of operations due to the Coronavirus outbreak. You confirmed no damage to property at the insured premises or at a nearby premises caused the suspension of your client's operations.

As we discussed, the policy only provides coverage for loss of business income when the suspension of operations is the result of direct physical loss of or damage to property at the insured premises from a covered cause of loss, or is the result of a prohibition on access to the insured premises due to damage from a covered cause of loss to other property, and the prohibition on access is taken in response to dangerous physical conditions or to enable the government to have unimpeded access to the damaged property. The policy also excludes from coverage any loss caused by or resulting from a virus.

Please refer to the policy, form CP 00 10 (10/12) BUILDING AND PERSONAL PROPERTY COVERAGE FORM, which reads as follows:

**A. Coverage**

**We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.**

Please refer to the policy, form CP 00 30 (10/12) BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM, which reads as follows:

**A. Coverage**

6/9/20  
**SCANNED**

JUN 08 2020

**Exhibit "C"**

**1. Business Income**

**Business Income means the:**

- a. **Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and**
- b. **Continuing normal operating expenses incurred, including payroll.**

**Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:**

- (1) **Business Income Including "Rental Value".**
- (2) **Business Income Other Than "Rental Value".**
- (3) **"Rental Value".**

**If option (1) above is selected, the term Business Income will include "Rental Value". If option (3) above is selected, the term Business Income will mean "Rental Value" only.**

**If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.**

**We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to property at premises which are described in the Declarations and for which a Business Income Limit Of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises**

**5. Additional Coverages**

- a. **Civil Authority**

In this Additional Coverage, Civil Authority, the described premises are premises to which this Coverage Form applies, as shown in the Declarations. When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority Coverage for Business Income ends;

whichever is later.

We now call your attention to the Causes of Loss Form, Form No. CP 10 30 (09-17) CAUSES OF LOSS – SPECIAL FORM, which states:

**A. Covered Causes Of Loss**

**When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.**

The policy contains the following endorsement CFS-68s-FL (01/12) that reads in part as follows:

**CHANGES—FLORIDA**

**This endorsement modifies insurance provided under the following:**

**COMMERCIAL PROPERTY COVERAGE PART**

- F. The following applies to the Additional Coverage—Civil Authority under the Business Income (And Extra Expense) Coverage Form, Business Income (Without Extra Expense) Coverage Form and Extra Expense Coverage Form:**
- 1. The Additional Coverage—Civil Authority includes a requirement that the described premises are not more than one mile from the damaged property. With respect to described premises located in Florida, such one-mile radius does not apply.**
  - 2. The Additional Coverage—Civil Authority is limited to a coverage period of up to four weeks. With respect to described premises located in Florida, such four week period is replaced by a three-week period.**
  - 3. Civil Authority coverage is subject to all other provisions of that Additional Coverage.**

The policy also contains the following endorsement CP 01 40 (07/06) that reads as follows:

**EXCLUSION OF LOSS DUE TO VIRUS OR BACTERIA**

**This endorsement modifies insurance provided under the following:**

**COMMERCIAL PROPERTY COVERAGE PART  
STANDARD PROPERTY POLICY**

- A. The exclusion set forth in Paragraph B. applies to all coverage under all forms and endorsements that comprise this Coverage Part or Policy, including but not limited to forms or endorsements that cover property damage to buildings or personal property and forms or endorsements that cover business income, extra expense or action of civil authority.**

- B. We will not pay for loss or damage caused by or resulting from any virus, bacterium or other microorganism that induces or is capable of inducing physical distress, illness or disease.**

**However, this exclusion does not apply to loss or damage caused by or resulting from "fungus", wet rot or dry rot. Such loss or damage is addressed in a separate exclusion in this Coverage Part or Policy.**

- C. With respect to any loss or damage subject to the exclusion in Paragraph B., such exclusion supersedes any exclusion relating to "pollutants".**

- D. The following provisions in this Coverage Part or Policy are hereby amended to remove reference to bacteria:**

- 1. Exclusion of "Fungus", Wet Rot, Dry Rot And Bacteria; and**
- 2. Additional Coverage – Limited Coverage for "Fungus", Wet Rot, Dry Rot And Bacteria, including any endorsement increasing the scope or amount of coverage.**

- E. The terms of the exclusion in Paragraph B., or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this Coverage Part or Policy.**

Business income and extra expense coverage applies when a suspension of operations is caused by physical damage to property at the insured premises from a covered cause of loss. You confirmed no damage to property at the insured premises caused the suspension of your operations. Therefore, the business income and extra expense coverage is not applicable. Similarly, the additional coverage for business income loss that results from a prohibition on access to your premises because of action of civil authority requires damage to other property from a covered cause of loss, and the prohibition on access is taken in response to dangerous physical conditions or to enable the government to have unimpeded access to the damaged property, which also did not occur. Finally, the policy also excludes from coverage any loss caused by or resulting from a virus.

Therefore, no coverage is provided for any loss of income sustained due to the suspension of operations as a result of the outbreak of the COVID-19 coronavirus. Unfortunately, we will not be able to make any payment.

Scottsdale Insurance Company reserves the right to review any additional claims or amendments to this claim and to make a separate determination as to whether a new claim or amendment to this claim is covered by the policy. Any decision we make regarding coverage is based on the facts as presented to us prior to our coverage determination and should not be construed as applicable to a new claim or an

amendment to this claim. Our right to have notice of either situation is reserved, as are the notice conditions of the policy.

The state of Florida requires we advise of the following: Any person who knowingly and with intent to injure, defraud, or deceive any insurer files a statement of claim or an application containing any false, incomplete, or misleading information is guilty of a felony of the third degree.

## NEW ENDORSEMENTS FILED TO ADDRESS EXCLUSION OF LOSS DUE TO VIRUS OR BACTERIA

**This circular announces the submission of forms filings to address exclusion of loss due to disease-causing agents such as viruses and bacteria.**

### BACKGROUND

Commercial Property policies currently contain a pollution exclusion that encompasses contamination (in fact, uses the term *contaminant* in addition to other terminology). Although the pollution exclusion addresses contamination broadly, viral and bacterial contamination are specific types that appear to warrant particular attention at this point in time.

### ISO ACTION

We have submitted forms filing CF-2006-OVBEP in all ISO jurisdictions and recommended the filing to the independent bureaus in other jurisdictions. This filing introduces new endorsement CP 01 40 07 06 - Exclusion Of Loss Due To Virus Or Bacteria, which states that there is **no coverage for loss or damage caused by or resulting from any virus, bacterium or other microorganism that induces or is capable of inducing physical distress, illness or disease.**

**Note:** In Alaska, District of Columbia, Louisiana\*, New York and Puerto Rico, we have submitted a different version of this filing, containing new endorsement CP 01 75 07 06 in place of CP 01 40. The difference relates to lack of implementation of the mold exclusion that was implemented in other jurisdictions under a previous multistate filing.

Both versions of CF-2006-OVBEP are attached to this circular.

\* In Louisiana, the filing was submitted as a recommendation to the Property Insurance Association of Louisiana (PIAL), the independent bureau with jurisdiction for submission of property filings.

### PROPOSED EFFECTIVE DATE

Filing CF-2006-OVBEP was submitted with a proposed effective date of January 1, 2007, in accordance with the applicable effective date rule of application in each state, with the exception of various states for which the insurer establishes its own effective date.

Upon approval, we will announce the actual effective date and state-specific rule of effective date application for each state.

# Amendatory Endorsement - Exclusion Of Loss Due To Virus Or Bacteria

## About This Filing

---

This filing addresses exclusion of loss due to disease-causing agents such as viruses and bacteria.

### New Form

We are introducing:

- ◆ Endorsement CP 01 40 07 06 - Exclusion Of Loss Due To Virus Or Bacteria

## Related Filing(s)

---

Rules Filing CF-2006- OVBBER

## Introduction

---

The current pollution exclusion in property policies encompasses contamination (in fact, uses the term *contaminant* in addition to other terminology). Although the pollution exclusion addresses contamination broadly, viral and bacterial contamination are specific types that appear to warrant particular attention at this point in time.

An example of bacterial contamination of a product is the growth of listeria bacteria in milk. In this example, bacteria develop and multiply due in part to inherent qualities in the property itself. Some other examples of viral and bacterial contaminants are rotavirus, SARS, influenza (such as avian flu), legionella and anthrax. The universe of disease-causing organisms is always in evolution.

Disease-causing agents may render a product impure (change its quality or substance), or enable the spread of disease by their presence on interior building surfaces or the surfaces of personal property. When disease-causing viral or bacterial contamination occurs, potential claims involve the cost of replacement of property (for example, the milk), cost of decontamination (for example, interior building surfaces), and business interruption (time element) losses.

## Current Concerns

---

Although building and personal property could arguably become contaminated (often temporarily) by such viruses and bacteria, the nature of the property itself would have a bearing on whether there is actual property damage. An allegation of property damage may be a point of disagreement in a particular case. In addition, pollution exclusions are at times narrowly applied by certain courts. In recent years, ISO has filed exclusions to address specific exposures relating to contaminating or harmful substances. Examples are the mold exclusion in property and liability policies and the liability exclusion addressing silica dust. Such exclusions enable elaboration of the specific exposure and thereby can reduce the likelihood of claim disputes and litigation.

While property policies have not been a source of recovery for losses involving contamination by disease-causing agents, the specter of pandemic or hitherto unorthodox transmission of infectious material raises the concern that insurers employing such policies may face claims in which there are efforts to expand coverage and to create sources of recovery for such losses, contrary to policy intent.

In light of these concerns, we are presenting an exclusion relating to contamination by disease-causing viruses or bacteria or other disease-causing microorganisms.

## Features Of New Amendatory Endorsement

---

The amendatory endorsement presented in this filing states that there is **no coverage for loss or damage caused by or resulting from any virus, bacterium or other microorganism that induces or is capable of inducing physical distress, illness or disease.** The exclusion (which is set forth in Paragraph B of the endorsement) applies to property damage, time element and all other coverages; introductory Paragraph A prominently makes that point. Paragraphs C and D serve to avoid overlap with other exclusions, and Paragraph E emphasizes that other policy exclusions may still apply.
