

**UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

CRUNCH LOGISTICS INC., T/A MONTY'S
SANDWICH SHOP., on behalf of itself and all
others similarly situated,

Plaintiff,

v.

DONEGAL INSURANCE GROUP,

Defendant.

CLASS ACTION COMPLAINT

JURY TRIAL DEMANDED

Plaintiff Crunch Logistics Inc., T/A Monty's Sandwich Shop ("Plaintiff" or "Monty's") brings this Complaint on behalf of itself and all others similarly situated (the "Class"), alleging relief against Defendant Donegal Insurance Group ("Defendant" or "Donegal") and avers as follows:

NATURE OF THE CASE

1. This is a class action seeking declaratory relief arising from Plaintiff and Class members' contracts of insurance with Defendant.
2. In light of the global coronavirus disease 2019 ("COVID-19") pandemic and state and local government orders ("Civil Authority Orders") mandating that all non-essential in-store businesses must shut down nationwide, restaurants, including but not limited to Plaintiff's business, have suffered significant business losses.
3. Plaintiff and Class members' insurance policies provide coverage for all non-excluded business losses, and thus provide coverage here.

4. As a result, Plaintiff and Class members are entitled to declaratory relief that their businesses are covered for all business losses that have been incurred in an amount greater than \$5,000,000.

JURISDICTION

5. This Court has subject-matter jurisdiction pursuant to the Class Action Fairness Act, 28 U.S.C. § 1332(d) because: (1) the matter in controversy exceeds the sum or value of \$5,000,000, exclusive of interest and costs; (2) the action is a class action; (3) there are members of the Class who are diverse from Defendant; and (4) there are more than 100 Class members.

6. This Court has personal jurisdiction over Donegal. At all relevant times, Donegal has engaged in substantial business activities in the Commonwealth of Pennsylvania. At all relevant times, Donegal transacted, solicited, and conducted business in Pennsylvania through its employees, agents, and/or sales representatives, and derived substantial revenue from such business in Pennsylvania. Defendant purposefully availed itself of personal jurisdiction in Pennsylvania because it contracted to provide insurance to Plaintiff and Class members in Pennsylvania which is the subject of this case. Defendant's principal place of business and headquarters are located in Pennsylvania.

7. Venue is proper in this district pursuant to 28 U.S.C. § 1391(b)(1) and (2) because Plaintiff and Defendant are Pennsylvania corporations and because a substantial part of the events or omissions giving rise to the claim occurred in this District.

PARTIES

8. At all relevant times, Plaintiff Monty's has been authorized to do business in the Commonwealth of Pennsylvania. Crunch Logistics Inc. owns, operates, manages, and/or controls Monty's Sandwich Shop located at 354 Second Street Pike in Southampton, Pennsylvania 18966.

9. Defendant Donegal is an insurance carrier headquartered at 1195 River Road in Marietta, PA 17547 and, among other things, it provides business interruption insurance to Plaintiff and Class members.

10. At all relevant times, Defendant issued an insurance policy to Plaintiff (policy number is BOP-9019101) that included coverage for business interruption losses, incurred by Plaintiff from October 16, 2019 until October 16, 2020. *See* Policy Declaration page, attached hereto as Exhibit 1.

11. The policy, currently in full effect, includes coverage for, among other things, business personal property, civil authority and extended business income.

12. Plaintiff submitted a claim for losses which was assigned Claim No. BOP-PA-01-20-0905542. On April 7, 2020, Donegal has provided Plaintiff a letter denying any and all claims. *See* Denial Letter, attached hereto as Exhibit 2.

Upon information and belief, Donegal asserts its insurance policies do not provide coverage for business interruption closures for all similarly situated Class members because of the “Exclusion Of Loss Due To Virus Or Bacteria.” *Id.* Donegal also asserts that there is no coverage under the policy’s Business Income, Extra Expense, and Civil Authority provisions because they each require direct physical loss of or damage to property, which it claims does not exist here or, upon information and belief, for any similarly situated Class member. *Id.* On information and belief, Donegal sent this letter or would intend to send a similar to all Class members that file a business interruption claim in these circumstances.

FACTUAL BACKGROUND

I. Insurance Coverage

13. Plaintiff and Class members faithfully paid policy premiums to Defendant, specifically to provide, among other things, additional coverages in the event of business

interruption or closures by order of Civil Authority and for business income loss for property loss or damage.

14. The terms of the Policy explicitly provide the insured with insurance coverage for actual loss of business income sustained, along with any actual, necessary and reasonable extra expenses incurred, when access to the Insured's properties is specifically prohibited by Civil Authority Orders. This additional coverage is identified as coverage under "Civil Authority."

15. The Policy is an all-risk policy, insofar as it provides that covered causes of loss under the policy provides coverage for all covered losses, including but not limited to direct physical loss and/or direct physical damage, unless a loss is specifically excluded or limited in the Policy.

16. The Policy also provides coverage for damages resulting from business interruption when there is property loss or damage.

17. The Policy's "Exclusion Of Loss Due To Virus Or Bacteria" (Virus Exclusion) does not apply to the closure of Plaintiffs' businesses as a result of the orders issued by a Civil Authority due to the COVID-19 pandemic.

18. Nonetheless, based on information and belief, Defendant has accepted policy premiums paid by Plaintiff and the Class with no intention of providing coverage for business income losses resulting from orders of a Civil Authority that the insured businesses be shutdown, or any related property damage.

19. Defendant asserts any loss resulting from property damage or from Civil Authority Orders to cease normal business operations are excluded under the terms of the Policy's Virus Exclusion. Defendant is wrong. The COVID-19 pandemic has caused Plaintiff and the proposed Class property damage and physical loss. Moreover, the Civil Authority Orders have also caused

Plaintiff and the proposed Class to suffer compensable property damage and business losses. Further, and as a result, the Policy's Virus Exclusion clause does not apply to the COVID-19 pandemic.

II. The COVID-19 Pandemic

20. The scientific community, and those personally affected by the virus, recognize COVID-19 as a cause of real physical loss and damage. It is clear that contamination of the Insured Properties would be a direct physical loss requiring remediation to clean the surfaces of the dental practice.

21. On information and belief, the virus that causes COVID-19 remains stable and transmittable: in airborne aerosols for up to three hours; on copper for up to four hours; on cardboard for up to 24 hours; and on plastic and stainless steel for up to two to three days. *See* <https://www.nih.gov/news-events/news-releases/new-coronavirus-stable-hours-surfaces> (last visited April 9, 2020).

22. The CDC has issued a guidance recommending that gatherings of more than 10 people must not occur. People in congregate environments, which are places where people live, eat, and sleep in close proximity, face increased danger of contracting COVID-19.

23. The global Coronavirus pandemic is exacerbated by the fact that the deadly virus physically infects and stays on surfaces of objects or materials, "fomites," for up to twenty-eight (28) days.

24. China, Italy, France, and Spain have implemented procedures requiring the cleaning and disinfection of public areas prior to allowing them to re-open publicly due to COVID-19 contamination.

III. Civil Authority

A. Pennsylvania

25. On March 6, 2020, Pennsylvania Governor Tom Wolf issued a Proclamation of Disaster Emergency, the first formal recognition of an emergency situation in the Commonwealth as a result of COVID-19. *See* Exhibit 3.

26. On March 19, 2020 Governor Wolf issued an Order requiring all non-life-sustaining businesses in Commonwealth to cease operations and close all physical locations. Businesses that were permitted to remain open were required to follow “social distancing practices and other mitigation measures defined by the Centers for Disease Control.” *See* Exhibit 4; <https://www.scribd.com/document/452416027/20200319-TWW-COVID-19-Business-Closure-Order> (last visited April 7, 2019).

27. On March 23, 2020, Governor Wolf issued a Stay-at-Home Order for residents of Philadelphia, Allegheny, Bucks, Chester, Delaware, Monroe, and Montgomery Counties. *See* Exhibit 5. On that same date, the Pennsylvania Department of Health issued a similar Order, noting that “operation of non-life-sustaining businesses present the opportunity for unnecessary gatherings, personal contact and interaction that will increase the risk of transmission and the risk of community spread of COVID–19.” *See* Exhibit 6.

28. On April 1, 2020, Governor Wolf extended the March 23, 2020 Stay at Home Order to the entire Commonwealth of Pennsylvania. *See* Exhibit 7.

29. The Pennsylvania Supreme Court recently clarified the Governor’s Orders and supported Plaintiff’s position that physical loss and damage exists resulting in coverage here. *See Friends of DeVito, et. al v. Wolf*, No. 68 MM 2020 (Pa. April 13, 2020).

30. Governor Wolf and Pennsylvania Secretary of Health have now extended the statewide stay-at-home orders through Friday, May 8, 2020.

32. Further, on April 10, 2020 President Trump indicated his support insurance coverage for business loss like that suffered by Plaintiff and the proposed Class:

REPORTER: Mr. President may I ask you about credit and debt as well. Many American individuals, families, have had to tap their credit cards during this period of time. And businesses have had to draw down their credit lines. Are you concerned Mr. President that that may hobble the U.S. economy, all of that debt number one? And number two, would you suggest to credit card companies to reduce their fees during this time?

PRESIDENT TRUMP: Well it's something that we've already suggested, we're talking to them. *Business interruption insurance*, I'd like to see these insurance companies—you know you have people that have paid. When I was in private I had business interruption. When my business was interrupted through a hurricane or whatever it may be, I'd have business where I had it, I did not always have it, sometimes I had it, sometimes, I had a lot of different companies. *But if I had it I'd expect to be paid*. You have people. I speak mostly to the restaurateurs, where they have a restaurant, they've been paying for 25, 30, 35 years, business interruption. They've never needed it. All of a sudden they need it. And I'm very good at reading language. I did very well in these subjects, OK. And I do not see the word pandemic mentioned. Now in some cases it is, it's an exclusion. But in a lot of cases I do not see it. I do not see it referenced. And they do not want to pay up. I would like to see the insurance companies pay if they need to pay, if it's fair. And they know what's fair, and I know what's fair, I can tell you very quickly. But business interruption insurance, that's getting a lot money to a lot of people. And they've been paying for years, sometimes they just started paying, but you have people that have never asked for business interruption insurance, and they've been paying a lot of money for a lot of years for the privilege of having it, and then when they finally need it, the insurance company says 'we're not going to give it.' We ca not let that happen.

33. The President is articulating a few core points:

- a. Business interruption is a common type of insurance.
- b. Businesses pay in premiums for this coverage and should reasonably expect they'll receive the benefit of the coverage.
- c. The COVID-19 pandemic should be covered unless there is a specific exclusion for pandemics.
- d. If insurers deny business loss coverage due to the COVID-19 pandemic, they would be acting in bad faith.

34. The Civil Authority Orders and proclamations referenced herein, as they relate to the closure of all “non-life- sustaining businesses,” evidence an awareness on the part of both state and local governments that COVID-19 causes damage to property. This is particularly true for businesses such as Plaintiff’s, where customer or client interaction and personal contact results in a heightened risk of the property becoming contaminated.

IV. Impact on Plaintiff and the Class

35. Prior to March 16, 2020, Plaintiff was opened to all customers from Sunday to Thursday from 11 a.m. to 8 p.m., and Friday and Saturday, 11 a.m. to 9 p.m. As a result of the Orders referenced herein, Plaintiff shut its doors to customers on March 16, 2020 and continues to be shutdown for in-store dining. See <https://www.montysandwich.com/> (last visited May 25, 2020). On March 16, 2020, Monty’s continued to offer carryout and delivery services from noon to 6 p.m. Mondays through Fridays. During this time, its dining room was closed. Monty’s stopped offering carryout and delivery services on Sunday, March 29, 2020.

36. Plaintiff’s business loss occurred on March 16, 2020 when Pennsylvania Civil Authorities required all businesses to cease non-essential operations at the end of the business day on March 16, 2020.

37. As a further direct and proximate result of the Orders, Plaintiff has been forced to lay off a total of thirteen (13) employees.

38. Plaintiff's business, like that of other Class members, is not a closed environment, and because people – staff, customers, community members, and others – constantly cycle in and out of the restaurant, there is an ever-present risk that the Insured Property is contaminated and would continue to be contaminated.

39. Businesses like the Plaintiff's are more susceptible to being or becoming contaminated, as both respiratory droplets and fomites are more likely to be retained on the Insured Property and remain viable for far longer as compared to other types of businesses.

40. Plaintiff's business is also highly susceptible to rapid person-to-property transmission of the virus, and vice-versa, because the service nature of the business places staff and customers in close proximity to the property and to one another.

41. A declaratory judgment determining that the insureds are entitled to business loss coverage under the Policy is necessary to prevent Plaintiff and Class members from being left without bargained-for insurance coverage required to ensure the survival of their child care centers due to the Civil Authorities' response to the COVID-19 pandemic. As a result of these Civil Authority Orders, Plaintiff and Class members have incurred, and continue to incur, among other things, a substantial loss of business income and additional expenses, which losses are covered under the terms of Defendant's insurance policies.

CLASS ALLEGATIONS

42. Plaintiff brings this action pursuant to Federal Rules of Civil Procedure 23(b)(2) on behalf of the following Class:

All restaurants that have suffered business interruption and lost income as a result of Civil Authority Orders issued in response to the COVID-19 pandemic.

43. Upon information and belief, Defendant does not cover business interruption in contravention to the uniform language contained in the insurance policies it has issued to restaurants.

44. The exact number of the Class members is unknown as such information is in exclusive control of Defendant. However, due to the nature and commerce involved, Plaintiff believes the Class consists of thousands of insureds nationwide, making joinder of the Class members impractical.

45. Common questions of law and fact affect the right of each Class member. Plaintiff is seeking Declaratory Relief for all Class members with similar policies to Plaintiff. Declaratory relief will permit adjudication of the rights of all parties as to whether Defendant's policies provide coverage for business interruptions losses the Class has suffered as a result of property loss and the Civil Authority Orders.

46. Common questions of law and fact that affect the Class members include, but are not limited to:

- a. Whether Defendant was legally obligated to pay for business interruption as a result of Civil Authority Orders issued in response to the COVID-19 pandemic;
- b. Whether Plaintiff and Class members have suffered "property damages" in accordance with the terms and conditions of Defendant's business interruption insurance policies;
- c. Whether Plaintiff and Class members are excluded from coverage for losses they suffered due to the Civil Authority Orders as a result of the Virus Exclusion(s) contained in Defendant's insurance policies;
- d. Whether Defendant is justified in denying Plaintiff and Class members' claims.

47. The claims and defenses of Plaintiff, as a representative plaintiff, are typical of the claims and defenses of the Class because Defendant wrongfully denied that its policy covers claims to Plaintiff and the Class members.

48. Plaintiff, as a representative plaintiff, will fairly and adequately assert and protect the interests of the Class.

- a. Plaintiff has hired attorneys who are experienced in prosecuting class actions and will adequately represent the interests of the Class; and
- b. Plaintiff has no conflict of interest that will interfere with the maintenance of a class action.

49. A class action provides a fair and efficient method for adjudication of the controversy for the following reasons:

- a. Prosecution of separate actions by individual Class members would create a risk of inconsistent and varying results against Defendant when confronted with incompatible standards of conduct; and
- b. Adjudications with respect to individual Class members could, as a practical matter, be dispositive of any interest of other members not parties to such adjudications and substantially impair their ability to protect their interests.

50. Defendant has taken steps to discourage the Class from submitting claims under their policies. Upon information and belief, Defendant has sent a uniform letter to all insurance brokers and has advised them to advise Class members that insureds do not have a claim under the terms of their polic(ies). For this reason, Declaratory relief for the entire class is appropriate and necessary.

CAUSE OF ACTION

DECLARATORY RELIEF

51. Plaintiff re-alleges and incorporates by reference into this cause of action each and every allegation set forth in each and every paragraph of this Complaint.

52. The Declaratory Judgment Act, 28 U.S.C. § 2201(a), provides that in “a case of actual controversy within its jurisdiction . . . any court of the United States . . . may declare the rights and other legal relations of any interested party seeking such declaration, whether or not further relief is or could be sought.” 28 U.S.C. § 2201(a).

53. An actual controversy has arisen between Plaintiff and the Defendant as to the rights, duties, responsibilities and obligations of the parties under the terms of the Policy in that Plaintiff contends and, on information and belief, the Defendant disputes and denies that:

- a. The Civil Authorities’ Orders constitute a prohibition of access to Plaintiff’s Insured Property;
- b. The prohibition of access by the Orders has specifically prohibited access as defined in the Policy;
- c. The Policy’s Exclusion of Loss Due to Virus or Bacteria does not apply to the business losses incurred by Plaintiff here that are proximately caused by the Civil Authority Orders issued in response to the COVID-19 pandemic;
- d. The Civil Authorities’ Orders trigger coverage under the terms of the Policy;
- e. The Policy provides coverage to Plaintiff for any current and future Civil Authority closures of its businesses due to physical loss or damage directly or indirectly from the COVID-19 pandemic under the Civil Authority coverage parameters; and
- f. The Policy provides business income coverage in the event that the COVID-19 pandemic directly or indirectly causes a loss or damage at the insured premises or immediate area of the Insured Properties.

54. Resolution of the duties, responsibilities and obligation of the parties is necessary as no adequate remedy at law exists and a declaration of the Court is needed to resolve the dispute and controversy.

55. Plaintiff seeks a Declaratory Judgment to determine whether the Orders constitute a prohibition of access to Plaintiff’s Insured Property as Civil Authority as defined in the Policy.

56. Plaintiff further seeks a Declaratory Judgment to affirm that the Civil Authority Orders trigger coverage.

57. Plaintiff further seeks a Declaratory Judgment to affirm that Defendant's Policies provide coverage to Plaintiff and the Class for any current and future business personal property losses, loss of business income, and extended business income losses as a result of Civil Authority Orders affecting the operation of their business due to physical loss or damage caused by the COVID-19 pandemic.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff and the proposed Class herein prays as follows:

- a. For a declaration that the Civil Authorities Orders constitute an insured impairment on the operation of Plaintiff's Insured business Property.
- b. To certify the proposed Class under Rule 23(b)(2).
- c. To direct notice to the Class under Rules 23.
- d. For a declaration that the Civil Authorities' Orders constitute the type of prohibition of access or restriction on business operations that is defined in the Policy.
- e. For a declaration that the Civil Authorities' Orders trigger coverage under the Policy.
- f. For a declaration that the Virus Exclusion in the policy does not prohibit coverage.
- g. For a declaration that the Policy provides coverage to Plaintiff for any current, future and continued Civil Authority closures of its businesses due to physical loss or damage directly or indirectly from the COVID-19 pandemic under the Policy's Civil Authority coverage parameters.
- h. For a declaration that the Policy provides business income coverage in the event that COVID-19 has directly or indirectly caused a loss or damage at the Plaintiff's Insured Properties or the immediate area of the Plaintiff's Insured Properties.
- i. For such other relief as the Court may deem proper.

TRIAL BY JURY IS DEMANDED
